Transplant Nurses' Association
 Incorporated under NSW Incorporations Act 1984

AN INVITATION TO ADELAIDE, SOUTH AUSTRALIA

On behalf of DonateLife in SA, the Transplant Nurses Association Incorporated (TNA) and Australasian Transplant Coordinators Association (ATCA) extend an invitation to attend the 2011 Organ Donor and Transplant Recipient Coordinators Advanced Course.

The course is to be hosted in Adelaide, South Australia from Monday 16 to Friday 20 May 2011 with registration and cocktails on Sunday 15 May 2011.

This five day residential course has been designed with the assistance of experts from both the organ and tissue donation and transplantation sectors nationally.

Enrolment is open to Australian and International Organ Donor and Transplant Recipient Coordinators, and interested health care workers. Priority will be given to Organ Donor and Transplant Recipient Coordinators.

Adelaide offers a superb venue for this course with a program encompassing advanced information and practices related to organ and tissue donation and transplantation.

Kathy Hee
State Manager
DonateLife in SA

Libby John
Transplant Nurses' Association
National Secretary

AIMS

- To enhance clinical knowledge and skills through participation in lectures and clinical skills workshops
- To promote professional development through acquisition of advanced knowledge and skills related to donation and transplantation processes
- To provide an opportunity for teamwork and networking to foster future cooperation
- To provide opportunities for leadership and communication skills development
- To provide a basis for ATCA certification and accreditation with other relevant professional bodies and regulatory authorities

VENUE

The Rendezvous Allegra Hotel is located in the heart of Adelaide CBD. This venue is within walking distance to the Adelaide city centre, cafes, markets, restaurants and public transport.

Please note that the residential part of the Advanced Course is an important aspect for networking and fostering working relationships. As such it is a course requirement that all delegates stay at the Rendezvous Allegra for the duration of the course.

METHOD OF LEARNING

Many of the topics presented will be relevant for both Organ Donor and Recipient Coordinators.

A diverse range of learning methods will be utilised including didactic, interactive case presentations, panel discussions and skills laboratories.

CERTIFICATE

A certificate of achievement will be issued on successful completion of assessment criteria.

LANGUAGE

All oral and written material will be presented in English.

CONTENT OVERVIEW

This comprehensive course will include:

- Death in perspective
- Donor identification
- Organ physiology and function as related to donation and transplantation
- Donor management
- Donation after cardiac death
- Clinical management of solid organ transplant recipients
- Principles of transplant immunology
- Loss and grief
- Donation process including allocation and procurement
- Compassion fatigue
- Clinical practice improvement
- Future Directions in donation and transplantation
- Managing the media
